- transcription gratuite - téléchargement sur le site web

Cultivate your French

- description: Do you want to improve your listening skills and comprehension of the French as it is spoken in France? With Cultivate Your French podcast, things go smoothly. This is slow French podcast, but Slow French doesn't just mean speaking slowly and it's not about quick progress. It's a nice learning approach.
- rythme assez lent
- transcription payante

The French instinct

- description: A podcast really dedicated to intermediate and advanced learners that will help you understand not only what the French say but also what they really mean in everyday conversations!
- rythme naturel
- transcription payante

The Inner French

- description: . I want you to get sucked into the topics so deep you forget that you're "learning French". You'll quickly realize that you're capable of understanding a lot more French than you think.

  The episodes get progressively more challenging, so I'd recommend starting from the oldest ones and working your way up. From episode 92, I'm joined by Ingrid, a French journalist and teacher, for more conversational style episodes.
